THE SCHOOL'S MISSION STATEMENT

Whilst at St Martin's we will all work hard to **SHINE**. To be:

Spiritually and Socially responsible

High achievers

Independent

Nurtured and

Empowered to face life's challenges

Rationale behind the Mission Statement

The school is a Christian community under God of children, staff, parents, governors, relatives, friends and churches.

We exist to promote the spiritual, emotional, mental, academic and physical development of all our members, in which we may all grow to our full potential as Christian members of society.

We aim to achieve this by:-

- Putting Christian values at the centre of our life.
- Providing the best possible learning opportunities to enable us to become lifelong learners.
- Providing a disciplined, sympathetic and caring structure within which we will find both safety and freedom to be ourselves, to express ourselves to develop good relationships and experience success.
- Giving all the opportunity to experience and enjoy many different aspects of life, including church activities, sport and music and to foster positive relationships between all within the community.
- Providing a stimulating and pleasant working environment that promotes good community life for all.
- Providing links with the wider community to enable a greater understanding of the diverse culture in which we live.
- Building effective partnerships with all parents and carers based on mutual respect.

The aim of the anti-bullying policy is to ensure that pupils learn in a supportive, caring and safe environment without fear of being bullied. Bullying is anti-social behaviour and affects everyone; it is unacceptable and will not be tolerated. Only when all issues of bullying are addressed will pupils be able to fully benefit from the opportunities available at schools.

Definition of bullying

Bullying can be defined as "behaviour by an individual or a group, repeated over time that intentionally hurts another individual either physically or emotionally". (DfE "Preventing and Tackling Bullying", July 2017)

Forms and types of bullying covered by this policy

Bullying can happen to anyone. This policy covers all types and forms of bullying including:

- Bullying related to physical appearance
- Bullying of young carers, children in care or otherwise related to home circumstances ☐ Bullying related to physical/mental health conditions

□

Physical bullying

- Emotional bullying
- Sexual bullying
- Bullying via technology, known as online or cyberbullying

Bullying is recognised by the school as being a form of peer on peer abuse. It can be emotionally abusive and can cause severe and adverse effects on children's emotional development.

Pupils who are being bullied may show changes in behaviour, such as becoming shy and nervous, feigning illness, taking unusual absences or clinging to adults. There may be evidence of changes in work patterns, lacking concentration or truanting from school. Pupils must be encouraged to report bullying in schools.

Schools' teaching and ancillary staff must be alert to the signs of bullying and act promptly and firmly against it in accordance with school policy.

Statutory duty of schools

It is the responsibility of:

- The headteacher to communicate this policy to the school community, to ensure that disciplinary measures are applied fairly, consistently and reasonably, and that a member of the senior leadership team has been identified to take overall responsibility.
- Governors to take a lead role in monitoring and reviewing this policy.
- All staff, including: governors, senior leadership, teaching and non-teaching staff, to support, uphold and implement this policy accordingly.
- Parents/carers to support their children and work in partnership with the school.

The following steps may be taken when dealing with all incidents of bullying reported to the school:

- If bullying is suspected or reported, the incident will be dealt with immediately by the member of staff who has been approached or witnessed the concern.
- The school will provide appropriate support for the person being bullied – making sure they are not at risk of immediate harm and will involve them in any decision making, as appropriate.
- A member of the leadership staff will interview all parties involved.
- The DSL will be informed of all bullying issues where there are safeguarding ⚠️ concerns.
- The school will speak with and inform other staff members, where appropriate.

- The school will ensure parents/carers are kept informed about the concern and action taken, as appropriate and in line with child protection and confidentiality policies.
- Sanctions, as identified within the school behaviour policy, and support will be implemented in consultation with all parties concerned.

□

If necessary, other agencies may be consulted or involved, such as the police, if a criminal offence has been committed, or other local services including early help or children's social care, if a child is felt to be at risk of significant harm.

- Where the bullying of or by pupils takes place off school site or outside of normal school hours (including cyberbullying), the school will ensure that the concern is fully investigated. If required, the DSL will collaborate with other schools.
- Appropriate action will be taken, including providing support and implementing sanctions in school in accordance with this policy and the school's behaviour policy.
- A clear and precise account of bullying incidents will be recorded by the school in accordance with existing procedures. This will include recording appropriate details regarding decisions and action taken on CPOMS.
