Individual Photographs

Ian has delivered all ordered photographs to the school, and they should now have been distributed to students. Digital copies of the photographs are still available for purchase directly from Ian - ianwallisphotography@me.com

Birthdays in School

As part of our commitment to healthy eating, we kindly ask that children do not bring sweets to share on their birthdays. Instead, we encourage them to celebrate in a fun and meaningful way—by bringing in a favourite book to read with the class or by donating a book to the classroom library. Donated books will receive a special sticker recognising the birthday child and their thoughtful contribution. The class will also enjoy singing *Happy Birthday* together to make their day feel extra special!

Christmas Lunch

This year our Christmas lunch will be on our last day of term Friday 19th December. An in-app message has been sent out to the parents of children on packed lunches to give them the option of having a Christmas lunch.

Christmas Cards

As we are an eco-school, we would like to ask that, instead of your child sending lots of cards to their friends in school, that they send only ONE card to the whole of their class from them. This will be more environmentally friendly and, if they make their own card, much more fun!

Thank you!
