St Martin's News

Yesterday, we were lucky to welcome a very special guest to our assembly – Beth Tweddle MBE, Britain's most successful female gymnast! Beth is an Olympic bronze medallist, a three-time World Champion, and a six-time European Champion. During the assembly, she shared her inspiring journey in gymnastics and spoke passionately about encouraging children to follow their dreams and develop a love for sport. It was a fantastic and motivating experience for everyone!

Some children from year 3&4 were invited to represent St Martins School in a dodgeball competition yesterday. We came in 2nd place overall out of 11 schools. Well done to all the children who participated.
