St Martin's News

We are delighted to have launched our free universal Breakfast Club, which has been running since Monday 13th April. This provision is available to all pupils from Reception to Year 6 and builds on our existing Breakfast Club, which has been successfully enjoyed by families for several years.

To ensure the smooth running of the club and allow children to fully benefit from the provision, it is essential that all children arrive promptly between **8:00am and 8:15am**. During the session, children can enjoy a selection of cereals, bagels, fruit, toast and more, followed by a range of fun and engaging activities to start the day positively.

We have also recently sent messages regarding a ring and a watch that have been found on school premises. If you have lost either of these items, please contact the school office with a description so that we can return them to their rightful owners.

Attendance and Holidays in Term Time:

make sure your child is in school every day, unless they are unable to attend due to illness.

Headteachers are no longer allowed by law to authorise term-time holidays. This has been in place since September 2013. Parents will be fined by the local authority for taking children out of school during term-time to go on holiday.

Please book your holidays during the school holidays to avoid being fined by the local authority. Oldham are now fining for holidays in term time.

If school has been notified that a child is off due to illness when they are in fact away on holiday, and this comes to our attention, this will be regarded as an unauthorised absence and recorded as such.
